

## Statement on tragedy at Marysville Pilchuck High School

**October 27, 2014**

Our hearts go out to the community of Marysville after the tragedy at Marysville Pilchuck High School on Friday. As school leaders, this is our greatest fear. Please know that you are all loved and supported as you struggle through this heartbreak and that school board members across the state stand together with you as you grieve.

Our thoughts and prayers are with you and with your students, staff and the entire Marysville community.
