Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

4.6. PROTEST PROCEDURE

Protests may be made only by Consultants who submitted a response to this solicitation document and who have participated in a debriefing conference. Protests must be received by the RFP Coordinator no later than 4:30 PM, local time, in Olympia, Washington on the third business day following the debriefing. Protests may be submitted by e-mail or facsimile, but must then be followed by the document with an original signature.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number, the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of an evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in the procurement document or WSSDA policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) WSSDA's assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by WSSDA. WSSDA's Acting Executive Director or Executive Director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within five (5) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Consultant that also submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold WSSDA's action; or
- Find only technical or harmless errors in WSSDA's acquisition process and determine WSSDA's to be in substantial compliance and reject the protest; or

- Find merit in the protest and provide WSSDA options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or

The Contractor and his or her employees or agents performing under this contract are not employees or agents of WSSDA. The Contractor will not hold himself/herself out as or claim to be an officer or employee of WSSDA or of the state of Washington by reason hereof, nor will the Contractor make any claim of right, privilege or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

WSSDA may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by WSSDA under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Contractor.

LICENSING, ACCREDITATION AND REGISTRATION - The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of this contract.

LIMITATION OF AUTHORITY - Only the Agent or Agent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this contract is not effective or binding unless made in writing and signed by the Agent.

NONCOMPLIANCE WITH NONDISCRIMINATION LAWS - In the event of the Contractor's non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the Contractor may be declared ineligible for further contracts with WSSDA. The Contractor shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

NONDISCRIMINATION - During the performance of this contract, the Contractor shall comply with all federal and state nondiscrimination laws, regulations and policies.

PRIVACY - Personal information collected, used or acquired in connection with this contract shall be used solely for the purposes of this contract. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of WSSDA or as provided by law. Contractor agrees to implement physical, electronic and managerial safeguards to prevent unauthorized access to personal information.

WSSDA reserves the rights to monitor, audit or investigate the use of personal information collected, used or acquired by the contractor through this contract. The monitoring, auditing or investigating may include but is not limited to "salting" by WSSDA. Contractor shall certify the return or destruction of all personal information upon expiration of this contract. Salting is the act of placing a record containing unique but false information in a database that can be used later to identify inappropriate disclosure of data contained in the database.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The Contractor agrees to indemnify and hold harmless WSSDA for any damages related to the Contractor's unauthorized use of personal information.

PUBLICITY - The Contractor agrees to submit to WSSDA all advertising and publicity matters relating to this Contract wherein WSSDA's name is mentioned or language used from which the connection of WSSDA's name may, in WSSDA's judgment, be inferred or implied. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of WSSDA.

RECORDS MAINTENANCE - The Contractor shall maintain books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by WSSDA, personnel duly authorized by WSSDA, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

REGISTRATION WITH DEPARTMENT OF REVENUE - The Contractor shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this contract.

SAFEGUARDING OF INFORMATION - The Contractor shall not use or disclose Personal Information in any manner that would constitute a violation of federal law, the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The Contractor agrees to comply with all federal and state laws and regulations, as currently enacted or revised, regarding data security and electronic data interchange of all Personal Information.

The Contractor shall protect Personal Information collected, used, or acquired in connection with this Contract, against unauthorized use, disclosure, modification or loss. The Contractor shall ensure its directors, officers, employees, subcontractors or agents use it solely for the purposes of accomplishing the services set forth in this agreement. The Contractor and its Subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make it known to unauthorized persons without the express written consent of AGENCY or as otherwise required by law. The Contractor agrees to implement physical, electronic, and managerial policies, procedures, and safeguards to prevent unauthorized access, use, or disclosure of data in any form. The Contractor shall make the Personal Information available to amend as directed by Agency and incorporate any amendments into all the copies maintained by the Contractor or its Subcontractors.

The Contractor shall certify its return or destruction upon expiration or termination of this Contract and the Contractor shall retain no copies. If the Contractor and Agency mutually determine that return or destruction is not feasible, the Contractor shall not use the Personal Information in a manner other than those permitted or required by state and federal laws.

Agency reserves the right to monitor, audit, or investigate the use of personal information collected, used or acquired by the contractor through this contract. The monitoring, auditing, or investigating may include, but is not limited to, "salting" by Agency. Salting is the act of introducing data containing unique but false information that can be used later to identify inappropriate disclosure of data.

The Contractor shall notify Agency in writing within 5 working days of becoming aware of any unauthorized access, use or disclosure. The contractor will take steps necessary to mitigate any known harmful effects of such unauthorized access including, but not limited to sanctioning employees, notifying subjects, and taking steps necessary to stop further unauthorized access. The Contractor agrees to indemnify and hold harmless Agency for any damages related to unauthorized use or disclosure by the Contractor, its officers, directors, employees, Subcontractors or agents.

Any breach of this clause may result in termination of the contract and the demand for return of all Personal Information.

SAVINGS - In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, WSSDA may terminate the contract under the "Termination for Convenience" clause, without the ten day notice requirement, subject to renegotiation at WSSDA's discretion under those new funding limitations and conditions.

SEVERABILITY - The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

SITE SECURITY - While on Agency premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

SUBCONTRACTING - Neither the Contractor nor any Subcontractor shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of WSSDA. In no event shall the existence of the subcontract operate to release or reduce the liability of the Contractor to WSSDA for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of WSSDA or as provided by law.

TAXES - All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

TERMINATION FOR CAUSE - In the event WSSDA determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, WSSDA has the right to suspend or terminate this Contract. Before suspending or terminating the Contract, WSSDA shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 days, the Contract may be terminated or suspended. The rights and remedies of WSSDA provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

TERMINATION FOR CONVENIENCE - Except as otherwise provided in this contract, WSSDA may, by 10 days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, WSSDA shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

WAIVER - Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by authorized representative of WSSDA.
