

THE SIDEKICK
COLLECTIVE

Nominate a superhero student.

[The Sidekick Collective](#) is on a mission to invest in youth who are uniquely positioned to change the world. But first, we need to find them. This is where **you** come in.

Here's how it works:

Step 1: Educators secretly nominate 9th–11th grade students.

Step 2: Our nomination committee reviews and vets all nominees.

Step 3: We surprise awardees (aka “Cosmic Heroes”) at a celebration of superhero proportions.

Step 4: Our 2016–17 Cosmic Heroes will **receive seed funding for a project** that improves their school or community, plus a network of sidekicks to help.

Do you know a student who is a real-world superhero? We want to hear about them! Read about past Cosmic Hero awardees in [this Seattle Times article](#) or on [our blog](#). [Then, nominate!](#) It only takes 10 minutes.
