1 INTRODUCTION

1.1 BACKGROUND AND PURPOSE

Formed in 1922, WSSDA consists of 1,477 locally elected school board members from across Washington. As a state agency, per chapter [28A.345 RCW](#), WSSDA supports its members with research-based leadership development tools and training, policy and legal resources, and legislative advocacy support. This work is of critical importance because school boards build the future of public education by setting the policy, governance, and budgetary priorities for all of Washington's 295 school districts serving approximately 1.1 million students.

WSSDA is initiating this Request for Proposals (RFP) to solicit proposals from full-service conference management companies to provide overall event management of the 2025, 2026 and 2027 WSSDA Annual Conferences.

The conference takes place each November on alternating east/west sides of the Cascade Mountain Range. It is the premier annual event for school directors, student board representatives, and superintendents. As the largest gathering of education leaders in the state, it creates a unique opportunity for school directors to spend a few days learning from peers and other educational experts, and for board-superintendent teams to strengthen their own connections. Event attendance has grown to an average of more than 1,200 attendees. The event also includes more than 70 exhibitors, two keynote speakers, an emcee, numerous related stakeholder meetings, and 60-70 breakout sessions and training opportunities over three days, with three five-hour pre-conference workshops on the first day. The conference is held in mid to late November the week before Thanksgiving.

2.6 MINORITY & WOMEN-OWNED BUSINESS PARTICIPATION

In accordance with the legislative findings and policies set forth in Chapter 39.19 RCW, the state of Washington encourages participation in all of its contracts by firms certified by the Office of Minority and Women's Business Enterprises (OMWBE). Participation may be either on a direct basis in response to this solicitation or on a subcontractor basis. However, no preference will be included in the evaluation of proposals, no minimum level of OMWBE participation shall be required as a condition for receiving an award and proposals will not be rejected or considered non-responsive on that basis.

2.7 ACCEPTANCE PERIOD

Proposals must provide 90 days for acceptance by WSSDA from the due date for receipt of proposals.

2.8 RESPONSIVENESS

All proposals will be reviewed by the RFP Coordinator to determine compliance with administrative requirements and instructions specified in this RFP. The Proposer is specifically notified that failure to comply with any part of the RFP may result in rejection of the proposal as non-responsive.

WSSDA also reserves the right, however, at its sole discretion to waive minor administrative irregularities.

2.9 MOST FAVORABLE TERMS

WSSDA reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Proposer can propose. WSSDA reserves the right to contact a Proposer for clarification of its proposal.

The Proposer should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. Contract negotiations may incorporate some or the Proposer's entire proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to WSSDA.

Because WSSDA proposes a flat fee structure, the most favorable terms will be determined by the proposal of the Proposer.

2.10 SAMPLE CONTRACT

The apparent successful contractor will be expected to enter into a contract, which is substantially the same as the sample contract attached as Exhibit B and the General Terms and Conditions attached as Exhibit C and incorporated by reference in the sample contract. In no event is a Proposer to submit its own standard contract terms and conditions in response to this solicitation. The Proposer may submit exceptions as allowed in the Certifications and Assurances section, Exhibit A to this solicitation. WSSDA will review requested exceptions and accept or reject the same at its sole discretion.

WSSDA reserves the right at its sole discretion to reject any and all proposals received without penalty and not to issue a contract as a result of this RFP.

2.14 COMMITMENT OF FUNDS

Any contracts resulting from this RFP are subject to the availability of funds. - G. Submit full details of the terms for default, including the other party's name, address, and phone number. Present the Proposer's position on the matter. The RFP Coordinator may contact the Proposer for clarification of any portion of the Proposer's proposal.

4.2 EVALUATION WEIGHTING AND SCORING

WSSDA reserves the right to award the contract to the Proposer whose proposal is deemed to be in the best interest of WSSDA.

4.3 ORAL PRESENTATION AND INTERVIEWS (If deemed necessary)

WSSDA will contact the top scoring Proposers to schedule a date, time, and location (may be virtual) for the interview and presentation. If selected for an interview, the Proposer will receive instructions on what the process will entail.

4.4 NOTIFICATION TO PROPOSERS

Proposers whose proposals have not been selected for further negotiation or award will be notified by email.

4.5 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Upon request, a debriefing conference will be scheduled with an unsuccessful Proposer. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Notification of Unsuccessful Proposer letter is emailed to the Proposer. The debriefing must be held within ten (10) business days of the request.

Discussion will be limited to a critique of the requesting Proposer's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone, at WSSDA's discretion, and will be scheduled for a maximum of 20 minutes.

4.6 PROTEST PROCEDURE

This procedure is available to Proposers who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Proposer is allowed three (3) business days to file a protest with the RFP Coordinator. Protests may be submitted by email, but must be followed by the original document.

Proposers protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Proposers under this procurement.

All protests must be in writing and signed by the protesting party or an authorized agent. The protest must state the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFP Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator
- Errors in computing the score
- Non-compliance with procedures described in the procurement document or WSSDA policy

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) An evaluator's professional judgment on the quality of a proposal, or 2) WSSDA'S assessment of its own and/or other agencies' needs or requirements.

Upon receipt of a protest, a protest review will be held by WSSDA. The WSSDA director, or an employee delegated by the director who was not involved in the procurement, will consider the record and all available facts and issue a decision within five business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Proposer that submitted a proposal, such Proposer will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold WSSDA's action.
- Find only technical or harmless errors in the WSSDA's acquisition process and determine WSSDA to be in substantial compliance and reject the protest.
- Find merit in the protest and provide WSSDA options which may include:
 - Correct the errors and re-evaluate all proposals
 - Reissue the solicitation document and begin a new process
 - Make other findings and determine other courses of action as appropriate

If WSSDA determines that the protest is without merit, WSSDA will enter into a contract with the apparent successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

The CONTRACTOR will not hold himself/herself out as or claim to be an officer or employee of WSSDA or of the state of Washington by reason hereof, nor will the CONTRACTOR make any claim of right, privilege or benefit which would accrue to such employee under law. WSSDA may, during the term of this Agreement, engage other independent contractors or employees to perform the same or similar work that CONTRACTOR performs under this Agreement.

NONASSIGNMENT:

Neither party to this contract may assign its interest in the contract to any other person or organization without the written consent of the other party.

NONCOMPLIANCE WITH NONDISCRIMINATION LAWS:

In the event of the CONTRACTOR's non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with WSSDA. Any such suspension will remain in place until WSSDA receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), WSSDA may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

WSSDA shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe WSSDA for default under this provision.

OVERPAYMENTS:

In the event that WSSDA establishes overpayments or erroneous payments made to the CONTRACTOR under this contract, CONTRACTOR agrees to refund these amounts to WSSDA in full within thirty (30) days.

At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by WSSDA, personnel duly authorized by WSSDA, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
